

Community Building

THE GLOBAL GOALS
For Sustainable Development

- Put up a public notice board with nice messages, events, quotes, catch ups, etc.
- Share contact details for people to get in touch and set up social media groups - Facebook / WhatsApp
- Create shared spaces and opportunities for interaction - sharing internet / walking group
- Give welcome packs to new residents
- Get to know local businesses and the people by name so you can wave each time you go by!
- Have regular shared pot luck meals
- Create a residents committee to listen to needs and share opportunities
