

# Collective Peace

**THE GLOBAL GOALS**  
For Sustainable Development

- Peace is everyone's business
- Peace is not an event it is a process
- Acting together creates a pathway to peace
- Reorientate ourselves towards peace, inclusivity, connection & agents of change
- Cross social norms for a collective peace force
- Create and share platforms for interaction, dialogue, learning, sharing and growing
- 'Everyday Peace' is for everyone, everyday
- Create and find open and safe spaces for free speech, dialogue, reconciliation & connection
- Establish platforms and join them for positive interactions, creating curiosity and connection
- Combine personal acts of peace with leaders & decision-makers: bottom-up & top-down
- Peace is chaotic, dynamic & difficult - persist
