

polio
points

A close-up photograph of a woman in a brown uniform feeding a baby. The woman is using a spoon to feed the baby, who is looking up at her. The baby is wearing a light-colored shirt and a green wristband. The woman is wearing a brown uniform with a gold-colored hat. The background is blurred, showing a dirt ground and some foliage.

WHAT ARE POLIO POINTS?

Polio Points is an award and reward system:

- Matching personal and local actions with donations having global impacts
- Adding value to donations, giving them a local context, and doubling the impact
- Acting locally → impacting globally

People do good deeds locally creating '*Teaspoons of Change*' and are awarded Polio Points

Polio Points are matched with donations to polio eradication

A vulnerable child receives 2 polio drops and is vaccinated

Earn 

Reward 

**Save a
child from
polio**

**LEARNER PROFILE:
HOW TO EARN POINTS**

Teaspoons of Change are personal choices, decisions and actions that have a positive impact on people and the planet creating positive change

teaspoons of change

A group of children are gathered around a baby who is receiving a vaccine. The baby is lying down, and a hand is holding a small vial to administer the vaccine into the baby's mouth. The baby is wearing a pink hat and has its mouth open. Other children are looking on with various expressions of concern and curiosity. The text "KEEP ENGAGED" is overlaid in white, bold, sans-serif font across the center of the image.

KEEP ENGAGED

Polio Points in the first year at ICS:

31,564 Points earned by students

Matched with **7891JD** in donations

Vaccinating **8000+** children from polio

we can see a **polio and poverty-free** world, for ...
everyone, everywhere and forever!

polio
points

A health worker wearing a yellow safety vest and a striped shirt is administering a vaccine to a young child. The child is being held by an adult. The background is slightly blurred, showing other people in a public setting.
